COMPANY PROFILE

Shuaib Majeed Medical Equipment Tr. is a sister company of RMSM Enterprises. RMSM Enterprises was established by Abdul Majeed Bhatti in 1998, with the aim to Manufacture and supply high quality instruments in the region. In the early stages, Instruments were being manufactured and supplied in neighborhoods of Sialkot.

Shuaib Majeed Medical Equipment Tr. is mainly dealing in stainless steel instruments, it's a distribution branch for RMSM Enterprises Private Limited. RMSM Enterprises has been manufacturing stainless steel instruments from last two decades and supplying to hospitals and traders both locally and internationally. As the demand increased for its products management decided to open a distribution branch for its products in UAE.

As per Expansion plans and as a result in increased demand for RMSM products the management decided to establish a distribution branch in UAE for MENA region and established Shuaib Majeed Medical Equipment Tr.

MISSION

Shuaib Majeed Medical Equipment Tr. was established with the ambition to supply top quality instruments and become the first choice as supplier of stainless steel instrument. We believe in improving living standards of society through manufacturing and delivering instruments, which will be used in life saving operations.
